Adopt-A-Shore Program

Benefits

- Gives individuals, groups and businesses pride and a sense of Ownership in their Community.
- Adopt-A-Shore framed Certificate for your display
- Participants listed on KPBB website and in quarterly newsletter.

What is Adopt-A-Shore?

Adopt-A-Shore is a cooperative partnership between the public/private sector and Pinellas County. It is a program that

allows individuals and/or "groups" to participate in community involvement through the "adoption" of approximately one mile section of county shoreline. Participants agree to perform four cleanups a year to remove litter and debris. Shore adoptions greatly enhance the appearance of our shorelines and go a long way to reducing the debris from entering our waterways and polluting the natural habitats of our native wildlife.

How does it work?

All you need to do is:

- Obtain and fill out an application to adopt.
- You can fill out the attached application request or you may call, fax or email your request for an application.
- Select approximately one (1) mile of shoreline you want to adopt.
- Sign an agreement to do four cleanups a year for a two year period.
- Agree to comply with safety procedures.
- After each cleanup, submit a report with cleanup results.

How much does it cost? *(Just a few volunteer hours)*

Keep Pinellas Beautiful will supply trash bags, gloves and forms at no cost to you or your business. We also provide volunteer general liability insurance coverage.

Who is Keep Pinellas Beautiful?

Keep Pinellas Beautiful is a non-profit volunteer based organization affiliated with Keep America Beautiful. Our mission is the reduction of litter and marine debris; litter awareness education; promotion of recycling and beautification of our communities.
